NOTICE

IN RE: Prempro Products Liability Litigation Web Site

Our web site now provides information concerning the Prempro Products Liability Litigation (MDL 1507) that is pending in the Eastern District of Arkansas and can be accessed by logging on to www.ark.uscourts.gov/mdl/.

The information that can be accessed from our web site includes: current case developments; docket information; names, addresses and telephone numbers for district court staff, lead counsel and liaison counsel; links to our local rules, the web site for the Judicial Panel on Multidistrict Litigation, and the Federal Judicial Center's *Manual for Complex Litigation, Third*. Our web site also contains a section for most frequently asked questions.

I encourage all counsel of record, parties, and the public to visit this web site to view information that has been posted to the Prempro litigation. I hope you will find this web site useful and comments or suggestions may be made by calling (501) 604-5306.

JAMES W. McCORMACK
CLERK OF COURT
