IN RE: Temporary Unavailability of Helena Courtroom

ADMINISTRATIVE ORDER

Courtroom #314 in the Jacob Trieber Federal Building, United States Post Office, and United States Court House will be temporarily unavailable beginning in February 2022. The historic Helena courtroom will undergo a renovation to restore and repair the space. The General Services Administration anticipates this project will be completed in the fall of 2022.

Cases filed in the Delta division will not experience any delay based on this renovation. Jury trials and hearings will proceed in alternative locations in the Eastern District, as determined by the presiding Judge. Potential jurors and jurors from the Delta division may be asked to travel longer distances, though, while the Helena courtroom is temporarily unavailable.
