

The United States District Court for the Eastern District of Arkansas is seeking proposals from qualified vendors to furnish, deliver, remove existing, and install 64 new jury chairs in designated courtrooms. The intent of this RFP is to secure high-quality, durable seating appropriate for courtroom jury boxes. Vendors must include all associated costs, including delivery, removal, installation, and warranty information with their submitted bid price.

The selected vendor will be responsible for:

1. Removal and disposal of existing 64 wooden jury chairs
2. Installation of 64 new jury chairs in 4 courtrooms, 16 chairs per courtroom all located in Little Rock, Arkansas
3. The chairs are to be as follows:
 - a. 16 Trinity Raleigh Traditional Low Back Jury Chair
 - b. Open Wood Upholstered Arm with wood selected upon award
 - c. Jury Base to be 360-degree Self Centering Rotation/Pneumatic seat
 - d. Height Adjustable
 - e. 350-pound weight capacity minimum
 - f. CF Stinson, Laredo color: Onyx
 - g. Brass Nail heads
 - h. Upholstery should be grade 4 with final selection by the Court
4. Please quote delivery, disposal, and installation as separate line items
5. Please see the photo below for the visual specification and provide this or an equal
6. Work is to be performed during normal working hours
7. Contractors are expected to keep a clean workspace and take all trash and debris with them

The bids should be submitted via email to Lance Smith at lance_smith@ared.uscourts by June 24, 2026, no later than 4 p.m. CST.
