EASTERN DISTRICT OF ARKANSAS
CENTRAL DIVISION**

IN RE: PROFEMUR HIP IMPLANT) **MDL No. 2949**
PRODUCTS LIABILITY LITIGATION) **ALL CASES**

ORDER

The Court held a status conference with counsel for the parties on October 21, 2022. At the Court's request, the parties provided the Court with a confidential joint status report on behalf of plaintiffs, MicroPort Orthopedics, Inc., and Wright Medical Group, Inc. on September 22, 2022, advising the Court of the status of this matter and whether the parties sought to lift the stay on discovery in this Multi District Litigation ("MDL"). At the status conference, the parties did not seek to lift the stay on discovery in this MDL. Accordingly, the Court will keep the stay on discovery in place. The parties are ordered to file a joint status report with the Court on or before January 19, 2023. The parties may submit a confidential joint status report with the Court but must also file a joint status report on the docket indicating that they are providing the Court with a confidential joint status report.

It is so ordered this 25th day of October, 2022.
