ORDER

The Judicial Panel on Multidistrict Litigation has transferred to this Court for centralized pretrial proceedings actions that concern alleged defects in the Wright Medical and Microport Profemur line of modular hip implants, which were offered in titanium and cobalt chromium alloys (the "MDL"). The Court entered Case Management Order No. 1 on March 11, 2021. Case Management Order No. 1 requires all counsel of record to register as an ECF User in this Court and be issued an ECF User ID and password within 45 days from entry of appearance (Dkt. Case Management Order No. 1 also provides that the Court may, for good cause, remove counsel for failure to register, but must first issue a show-cause Order to which counsel who have not registered as an ECF User in this Court must respond (Id., ¶ 13).

The Court entered an Order to show cause on April 14, 2021, requiring counsel of record who had failed to register as ECF Users to show cause within 45 days from the date of the Order for their failure to register (Dkt. No. 67). The Court warned counsel that failure to respond to the Order to show cause could result in counsel being removed from the case in which he or she has entered an appearance (*Id.*, at 2). The following counsel have not responded to the show-cause Order and the time for doing so has passed:

- Taylor Burkhart Downs (4:20-cv-00957-KGB)
